Marine Animal Intern

The marine animal internship is designed to be a volunteer career learning experience with Como's African penguins, tufted puffins, harbor seals, California sea lions and polar bears. Interns will gain first hand experience in data collection, food preparation, exhibit maintenance, public presentations, and husbandry. College credit is required for 12 weeks and a minimum of 25 hours per week May through September or 15 hours per week for fall and winter semesters.

DUTIES:

- Meet all cleanliness and safety standards in all areas supporting the marine animal collection
- Assist with daily diet preparation
- Assist with daily feeding and husbandry for African Penguins and Tufted Puffins
- Provide enrichment for all marine animals
- Assist with routine record keeping and participate in weekly veterinary consultation
- Narrate a combination of daily Island Training demonstrations, keeper talks, and/or Sparky shows
- Provide routine animal observation; reporting any concerns to the keepers on duty
- Participate in a special project – proposed by intern or zoo staff
- Perform other duties as assigned

QUALIFICATIONS:

- Currently be in a degree program in zoology, biology or a related field with preference given to those interested in a career with marine mammals
- Be available to work weekdays, weekends, days, and holidays
- Obtain prior approval for college credit for the internship
- Demonstrate high quality ability to work independently or with a team
- Ability to lift objects in excess of 50 lbs. daily
- Ability to periodically lift objects in excess of 70 lbs
- Be able to endure exposure to cold temperatures on a regular basis

Application Procedure:

Deadlines for applications: (Applications will be received until all positions are filled)

Summer semester: March 15 Winter Semester: November 15

Fall Semester: August 15

Requirements: (Your application is not complete until all items are received)

- Cover letter indicating reasons for interest in an internship at Como
